Judges

On the Court's own motion, appellant is ORDERED, within 14 days after the date of this order, to file a supplemental brief addressing whether this Court's opinion in *Fisher v Kalamazoo Regional Psychiatric Hospital*, 329 Mich App 555; 942 NW2d 706 (2019), applies retroactively to this case so that appellees are entitled to recoupment of overpaid benefits in this case regardless of whether appellant committed fraud in his application. See, e.g., *Clay v Doe*, 311 Mich App 359, 362-363; 876 NW2d 248 (2015) (discussing principles regarding retroactive application of caselaw). Appellees may file a supplemental brief in response within seven days after service of appellant's supplemental brief.
